

## I Production and market of sulfanilic acid in China

### I-1 Production situation of sulfanilic acid in 2006~2008

#### ➤ Summary of production

In 2007, there are 17 sulfanilic acid producers in China, including 15 active producers and 2 producers which just stopped the production in 2007. Among these 17 sulfanilic acid producers, 12 producers are located in Hebei Province, 2 in Zhejiang, 1 in Henan, 1 in Shanxi and 1 in Shandong.

#### - Share by specification

The sulfanilic acid produced in China has 3 specifications, refined sulfanilic acid, technical sulfanilic acid and sodium sulfanilate. The refined sulfanilic acid is the main specification produced by Chinese producers. The shares of refined sulfanilic acid, technical sulfanilic acid, and sodium sulfanilate accounted for 74.6%, 5.6% and 19.8% of the total output of sulfanilic acid in China in 2007.
