

I-3 Supply of Myrcene in China

From the various sources as of Jan. 2006, only 6 factories produce myrcene, from commercial production point of view. Each of the 6 manufacturers has been interview twice or even three times. The products info of these manufacturers is listed in the following.

Table I-3-1 Myrcene information of active manufacturers

No.	Abbreviation	Location	Status	Capacity'06 (MTs)	Output'05 (MTs)	Current Price (RMB/MT)	Export'05 (MTs)
II-1							
II-2							
II-3							
II-4							
II-5							
II-6	Yunnan Yunxi	Yunnan	Active	360	0	18,000	0
Total					2,940		1,933

The details information of the producers has been recorded in this report, in the separate part: Situation of Myrcene Manufacturers in China.

I-4 Import & Export Analysis of Myrcene in 2002~1H2005

In China, most of the myrcene is exported to oversea market because the domestic consumption volume of it is quite small.
